Sr. Pastor Job Posting

Job Type: Full-time
Workplace: On-site
Salary: \$85,000 to \$95,000

The Fifteenth Avenue Baptist Church is a God-fearing, Christ-seeking congregation located in Nashville, Tennessee. The church has a 137-year history of ministering to the physical, emotional, economic, and spiritual needs of the Nashville Community.

Fifteenth Avenue has eighteen ministries that focus on the general needs of the urban community. The church has been at its present location for over seventy-one years and has gone through several additions and renovation during that time. In recent years, God has presented challenging opportunities for the church as the changing community landscape has ushered in a new population of disciples, still in need of his saving grace.

During the church's 137-year history, there have been six pastors; a visible example of stability, favor, and obedience.

Currently, Fifteenth Avenue Baptist Church has an opening for the position of senior pastor. The senior pastor position is full-time, and the pastor will shepherd a congregation of 250- to 400 members. The pastor will co-labor with a capable staff of administrative and ministerial personnel, associate ministers, volunteers and deacons and trustees.

In addition to the biblical qualifications enunciated in the books of 1 Timothy 3 and Titus, the successful candidate must possess the following:

- Master of Divinity, or equivalent degree, from an accredited seminary or university
- Be licensed and ordained
- Have a minimum of five years of experience as a pastor in a church of similar size or larger
- Must be word-centered with a mature faith and a strong model of evangelism
